Dear Friends and Business Community:

Each year International Women's Day (IWD) is celebrated around the world on the eighth of March to mark the social, economic, and political achievements of women!

Kern County is proud to join in this celebration by honoring foreign-born women who have made a significant contribution to our local community in the areas of Education, Art/Entertainment, Science, Health Care, Business/Finance, and Law/Government.

With the support of our sponsors in the past, we have been able to recognize over 40 international women from 23 countries and award scholarships at the International Women's Day Annual Dinner Event.

We invite you to become a sponsor of this year's **International Women's Day Annual Award Dinner at the Seven Oaks Country Club on March 8 at 6 pm**. Your support will also allow us to award scholarships to outstanding international students at Bakersfield College and California State University, Bakersfield.
