

International Women's Day Awards

Nomination Form

On March 8, 2010 International Women's Day will honor foreign-born women who have made significant contributions to our region. With some thought, most of us realize we do know at least one woman who fits the description. So this is an opportunity for you to put her in the spotlight!

Please submit a separate form for each candidate you or your organization wishes to nominate. (You may duplicate this form.) So that our evaluation panel will have time to review them carefully, ***all materials must be received by January 31, 2010.***
